Harding San Juan Lodge Trestleboard

February

Julius Cadorna

Master

Brethren and Ladies,

We finally made it through the first month and we're supposed to have our annual Crab Feed on Feb. 06 2021 which is our biggest fund raising for this year, Sweethearts Luncheon on Feb. 13 for our lovely Belles, Rusty Trowel on Feb. 15 and our regular breakfast on Feb. 27, from the looks of it we will not be doing any of those activities at the moment. I am hoping that this thing will be over soon so we can go back and do some of our regular lodge activities and let's be hopeful that this thing will be over soon. I would like to congratulate Worshipful Jeff Robertson for being elected to receive the Hiram award for this year. Hiram award is the highest honor that a lodge can give to its member. Congratulation also Worshipful Jeff Robertson for having a good turn out with our New Year's tradition Black Eye Peas Eyes. Hoping that we will come up with something similar to it in the near future.

I understand that this whole time has really been tough on everybody but if you still have your health there is a lot to be thankful for. Some of our members and their wives of our lodge are not so lucky so I am requesting that please include them in your prayers, and if possible please send card and flowers to let them know that they are not forgotten and we are praying for their fast recovery. Please stay safe and stay healthy.

Fraternally, Master Julius Cadorna

Senior Warden

Well Brethren- 2021 is here and 2020 long gone but not forgotten. The Vaccine is being distributed and hopefully everyone or a good percentage of people will have it soon. Stated meetings are going well and our participation on Zoom is in the 20s or better. Our Hallboard has been doing a great job on getting the lodge in shape for when we open. The Brethren are chomping at the bits in wanting to get ritual going. Congratulations to brother Jeffrey Robertson for being selected as our new officer's coach, well deserved and he will be a great one. Sacramento businesses are starting to open up and hopefully we will be able to get back to somewhere near normal soon.

Fraternally, Senior Warden, Robert Henning

Senior Warden

February is known as the month of Sweethearts and Presidents.

February 14 is always known as Valentine's Day, when we profess our love to our significant other. It has also been a day when the brethren of Harding San Juan Lodge recognize and honor our Lodge Sweethearts. Unfortunately, the COVID-19 pandemic continues to shutter our lodge and keep us from meeting under any circumstance until we are given permission to meet again in person by the Grand Lodge of California. We are considering alternatives to honor our Sweethearts. I will be working to develop a current list of contact information so we can keep them informed of future activities.

As for United States Presidents, there have been 14 known Freemasons. The first and most famous being George Washington, followed by James Monroe, Andrew Jackson, James K. Polk, James Buchanan, Andrew Johnson, James A. Garfield, William McKinley, Theodore Roosevelt, William H. Taft, Warren G. Harding, Franklin D. Roosevelt, Harry S. Truman, and most recent, Gerald Ford. Lyndon B. Johnson was only an Entered Apprentice. Ronald Regan was made an honorary Freemason.

How to print Your Own Dues 2021 Receipt

Once you have paid your annual dues you can print your own dues receipt by going to www.freemason.org and registering if you haven't been there before. All you need is your member number from your last years dues receipt and you are on your way. On the web cover page go to the righthand side and click on "Member Only" that takes you to iMember 2.0 and on the right hand side you can print your 2021 dues receipt. The Grand Lodge or your lodge no longer prints the dues receipts. If you need help in any of this, contact your lodge secretary, Bob Jackson.

Tom Tompkins, PM

Hallboard President

Brethren and Ladies,

Greetings from your Hallboard, we hope that you and your family are safe and well. As you are aware, we are still not able to meet or have any gatherings at the lodge as per our Grand Master. Having no one in the lodge makes the maintenance somewhat easier. However, there are still things that break, leak, or just quit working. When this happens, things still need to be

fixed and are fixed.

A special thanks to Worshipful John Scofield for replacing our outdated and leaky kitchen faucet. He also oversaw the cleaning of our gutters so when the rains come, if they come, we will not have any issues with the gutters and the cleaning of the HVAC filters.

Your Hallboard is in the process of purchasing an alarm system for the lodge. When this system is installed and activated, e-mails will be sent out to alert the members and our tenants.

Hopefully, this virus thing will subside soon, and we will be back together once more.

Fraternally, Tom Tompkins, PM

After eating an entire bull, a mountain lion felt so good he starting roaring.
He kept it up until a hunter came along and shot him.
The moral is: When you are full of bull, keep your month shut.
