

The Trestleboard is the name for the newsletter of Freemasons. A Trestleboard was a tool utilized by Operative Master Masons to detail the daily work of the Craftsman. The plans and designs for the work were scratched or carved into or drawn on the surface of the board. The earliest Trestleboard (or more accurately Tracing Board), was thought to have been a wooden board covered in wax. The designs were cut or carved into the wax. The wax could be scraped off and renewed as needed. A modern-day Trestleboard in Operative vocations is the Blueprint.

Master

Brethren and Ladies,

We are planning a very productive year, starting off with lots of Black-Eyed peas and Cornbread on the 1st from 11am to 2pm , followed by the grand finale - OUR famous crab feed on the 8th. If you haven't purchased your tickets you can pick them up while enjoying your peas and cornbread. We need new gifts and gift cards for the Auction on the 8th with our crab feed - don't be shy, all proceeds will go to the Masonic outreach program. Entered Apprentices and Fellowcraft are getting their proficiencies done and are looking forward to becoming Master Masons.

I will be having an Officers appreciation dinner on the 29th of January to acknowledge our line and supporting officers. Our next big function will be the Sweethearts luncheon on the 12th of February, and I will be calling brothers to help on that vital function with our Widows and Wives. If you have any items for our crab feed Auction, you can call me or any of my line officers and they will be happy to pick them up. My number is 916-276-7521. Merry Christmas and Happy New year my Brethren and Ladies of Harding San Juan and may your Holidays be blessed.

PS: we will always appreciate any and all to come to our functions and also be a sideliner.

Fraternally,

Robert Henning, Master

### Senior Warden

Brothers and Ladies,

Brothers and Ladies,

Welcome 2022! Hopefully it will be better than the past couple of years. I want to thank the members of Harding San Juan Lodge for the opportunity to serve you as Senior Warden.

It will be a busy first few months of the new year. We have the Crab Feed in January and the Sweetheart's Luncheon in February. Check the calendar on the Harding San Juan Lodge website for dates, times and details.

We currently do not have a Junior Warden, so I will be handling stated meeting dinner reservations. See details about our next dinner in the "From the South" section of the trestle board.

Speaking of stated meeting dinners, our caterer, Stock Ranch, is going through some changes to their kitchen and have temporarily stopped all external catering until March. I will be providing the dinners for the next few months and will try a few different ideas while we search for a new caterer or wait to see what Stock Ranch will offer when they return.

Lastly, we are also in the middle of a consolidation with American River Lodge. We are hoping to have enough votes that Grand Lodge will approve the consolidation. If it is approved, we will have a few of our new brethren join our officers' line, including a Junior Warden!

If you have any questions about anything happening at the Lodge, please do not hesitate to call me or any of the 2022 officers.

Fraternally,

Rich Duffy, Senior Warden

### Hallboard President

Greetings from your Hallboard.

Happy New Year to all. Our facility is presently in pretty good shape. There have a few maintenance issues that have been taken care of. There are several organizations that use our building and as such there is wear and tear on the carpets and furnishings in our facility. The

carpets are cleaned as needed and the furnishings are repaired when they are reported as needing repair. Your help is always needed to aid your hallboard in maintaining our facility.

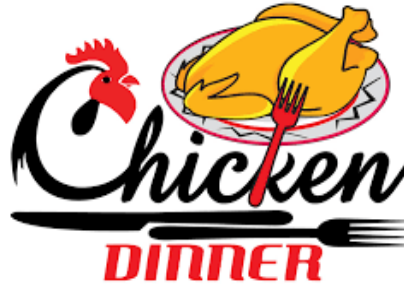

Even though the holidays are behind us, please do not forget to support our food bank. The food bank needs grocery bags, egg cartons, peanut butter, can goods, soups and cereals. The food bank services 90 families per day, 5 days per week. Every little bit of donations will help the less fortunate in our community.

Your Hallboard hopes that 2022 is a safe and prosperous new year for you.

Fraternally, Tom Tompkins, PM

HSJ Hallboard President

Mixed Green salad, dinner rolls  
Roasted half chicken  
Green beans, roasted potatoes and  
Dessert will be seasonal pie a la mode.

My Brothers & Sisters

It is absolutely necessary that you make reservations with Rich Duffy, 973-214-8599, if you don't have one you will not be eating dinner with us, this is a catered meal & we only get enough for the reservations called in.

### **Consolidation with American River Lodge #795**

My Brethren,

You will soon be receiving a voting notice in the mail for the consolidation with American River Lodge #795 and your team of officers would like to encourage you to vote yes. American River Lodge has less than 50 members and needs our help. They have met in our lodge for many years now and just don't have the officers to fill all the stations. Many of our officers have attended their meetings and they have also been with us for our Officers School of Instruction, we believe they will be a great addition.

Nothing will change on the surface, our name, meeting times, number all will remain the same and we will gain some great new members.

It is very important that you vote and return your ballot in the stamped, return addressed envelope. If you don't return the form it will be counted as a no vote.

# Be a Cornerstone of our great fraternity.

**MASONS KNOW** the importance of a cornerstone—a well-laid one can provide stability to a building for centuries.

The Cornerstone Society recognizes the group of Masons who leave a bequest in their estate plans for the California Masonic Foundation. These gifts are the simplest and most effective way to ensure our life-saving programs reach as many vulnerable brethren and their wives, and children in our communities as possible—today and into the future.

Our Brethren's families, friends and neighbors in need of food can go to Sunrise Christian Food Ministry; 5901 San Juan Ave; Citrus Heights, CA 95610; (916-965-5431) **Hours: Monday through Friday (10:30am - 3:00pm) (Note: No questions asked)** Web Site: [sunrisechristianfoodministry.org](http://sunrisechristianfoodministry.org). Covid-19 Statement: Sunrise Christian Food Ministry takes the health of its patrons and volunteers very seriously. For that reason we have implemented a drive-thru style of food distribution. All volunteers are required to wear masks and gloves while loading your car with food. Another result of the Covid-19 is our method of food handling and distribution. No longer are clients allowed to stand in lines outside the building and then come in to register. We have changed to a process of prepacking all the food supplies and set up a "no contact" distribution. We are using the lower parking lot for a check in/registration station. People stay in their vehicles during the complete process. After checking in they proceed up the hill to the food closet. All the boxes and bags of produce and bread are now located outside. We load the food into the vehicles, and they turn around and drive out.
