Harding San Juan Lodge Trestleboard

October

Julius Cadorna

Master

Brethren and Ladies,

I hope everyone is getting excited that we are finally in fall season. It also means we are getting close to the end of the year. I would like to invite everyone to attend the awarding of a 50 year pin to Brother Harry G. Williams after the dinner. Brother Harry G. Williams' dedication to our craft is truly admirable.

We will be bringing back the Rusty Trowel starting October 11 and it will be on the second Monday of every other month. I welcome everyone to come to this small fellowship because it is open to all. We will have hotdogs and hamburgers to be served and you can also bring food that you would like to share with everyone.

We will be preparing for a 2nd Degree for Brother Peter Durgan and Brother Mike Allen in mid to late October.

We have a Grand Lodge Communication on October 9 and our lodge will be represented by Worshipful Paul Cary and Brother Robert Henning. They will be discussing the resolution on our October stated meeting.

November 13 we will have a Fall Festival. The menu will be baby back ribs and barbeque chicken. Please RSVP to our Junior Warden Rich Duffy so we can prepare appropriately. I hope everyone can come and support this event; earlier we didn't have that many because of the pandemic.

Please stay safe and stay healthy and God bless you all!

Fraternally,

Julius Cadorna, Master

Robert Henning

Senior Warden

Brothers and Ladies,

A lot is happening in our lodge! We will be training for 2 second degrees coming up, proba-bly during the end of October.

The consolidation with American River is mov-ing along and ballots should be sent out shortly. You have 30 days to vote and send your ballot back. If not received on time, your vote will be considered a NO vote. We need 3/4 of our lodge to say YES for it to go through.

At this time we are planning for our Fall Festival November 13th. We will need help, so please volunteer your time to support your lodge. There will be more information on this later.

September 25th is our best of the west Break-fast for only \$5.00 . We could use help there as well. Entered Apprentices and Fellowcrafts, please assist and get to know your brothers.

Please Brethren volunteer when you can. Your lodge cannot survive without your help and it is always much appreciated.

Paul Cary, P.M. and I will be going to the Annual Communication in San Francisco on October 9th representing our lodge and to voting on the resolutions.

Robert Henning, Senior Warden

Richard Duffy

Junior Warden

Brothers and Ladies,

Looking For My Long Lost Brother!

I recently visited my home state of New Jersey to attend a weekend golf outing of a group of my college fraternity brothers. I went because I've not seen them in over 20 years. We laughed, told stories of our younger days, caught up on current events in our lives and agreed to meet annually. It was as if there was no time between us and we all felt that familial fraternal bond.

Masonry offers that same opportunity to build strong, long-lasting friendships. We form trust and bonds through our shared values, ritual experience and social ties. These friendships may not happen immediately, but over the course of many interactions, we get to know each other and develop a sense of belonging that keeps us engaged, active and returning for more. Before you know it, you look forward to each practice, stated meeting, monthly breakfast or Zoom Coffee meeting.

But, you need to show up. Come to the next stated meeting, October 13, and enjoy dinner with your brothers. Come to a Monday night practice. You don't have to know ritual, you may enjoy just watching, and we can always use someone to stand in as a candidate. Come for a breakfast and re-introduce yourself. Call any officer, our phone numbers are listed on this trestleboard. If you are not sure where to start or when to come, we will be happy to meet you at the lodge and get to know you. If you need a ride, we can arrange that, too.

I need you, my Brother, and you may need me. Who knows, we may become good friends!

Fraternally, Rich Duffy, Junior Warden

Tom Tompkins, PM

Hallboard President

Greetings from your Hallboard.

Greetings from your Hallboard

As I write this article, we are in new Bern North Carolina at a beautiful KOA RV park looking at the Neuse River.

Not a lot of news to report from the hall board, the lodge and facilities are in great shape and just a few minor repairs are being tended to.

There is an issue with a toilet in the women's bathroom and also the hot water heater in the men's room is not working. Brother Larry Gore is handling the repairs on both of those items. A huge thank you to brother Gore for taking care of these repairs Brother Bob Jackson is busy not only with his secretarial duties for our lodge but also handling the tenants that rent our facilities.

These are important duties to the lodge as well as the hall board and we thank brother Jackson for his tireless efforts.

Please remember that our lodge supports the Food Locker across the street, remember to bring your canned goods, peanut butter, egg cartons and shopping bags to the lodge so that we can get them to the Food Locker across the street.

Our annual turkey drive for the food locker is coming up in November, please start planning on getting your turkeys and thanksgiving fixings to the lodge so we can help the disadvantaged in our community.

Thank you for your support.

Until next time.

Fraternally, Tom Tompkins, PM

HSJ Hallboard President

Again, please keep supporting the food bank.

Fraternal Greetings

Our Brethren's families, friends and neighbors in need of food can go to Sunrise Christian Food Ministry; 5901 San Juan Ave; Citrus Heights, CA 95610; (916-965-5431) **Hours: Monday through Friday (10:30am - 3:00pm) (Note: No questions asked) Web Site: sunrisechristianfoodministry.org.** Covid-19 Statement: Sunrise Christian Food Ministry takes the health of its patrons and volunteers very seriously. For that reason we have implemented a drive-thru style of food distribution. All volunteers are required to wear masks and gloves while loading your car with food. Another result of the Covid-19 is our method of food handling and distribution. No longer are clients allowed to stand in lines outside the building and then come in to register. We have changed to a process of prepacking all the food supplies and set up a "no contact" distribution. We are using the lower parking lot for a check in/registration station. People stay in their vehicles during the complete process. After checking in they proceed up the hill to the food closet. All the boxes and bags of produce and bread are now located outside. We load the food into the vehicles, and they turn around and drive out.
