August

Robert Henning

Master

Brethren and Ladies,

August is almost upon us, Our Annual picnic was a success despite the weather. We served buffet style inside in the dining room and had around 60-70 brethren, wives, and friends. It was a success.

Our next function will be August 13th starting at 6pm with a happy hour and dinner at 7pm. It is a Hawaiian Luau with pulled pork, fruit, salads and all the fixins. I hope to see many brethren, wives and friends show up for this dinner party. It is free to all who attend. There will be a movie night on August 27th with a top run movie, popcorn, hot dogs, and chips for a nominal fee. The coffee club is still every Thursday at 08:30 to anyone to log on and join and join in the conversations. Our lodge breakfast is on the 27th at 08:00-10:00hrs. and is still the best breakfast west of Reno for the price, come one, come all. We are now in advanced stations in the lodge and are looking for a brother that wants to join the line as a junior deacon. If any brother Master Mason wanting to join the line, please express your desire to any of the current officers and we will get you started on your way to becoming Master of the lodge. Be safe my brethren.

Fraternally,

Robert Henning, WM

Brethren and Ladies,

"To Remain Viable, We Must Be Visible" ~ Jim Ridenhour, a brother Mason from Freemasonry Complete Guide Facebook Page.

I saw this quote on Facebook and thought it was worth passing along.

The California Grand Lodge has a new marketing drive to openly bring awareness to Masonry in hopes that men who want to learn more about being a Mason will visit the Grand Lodge web page and sign up. This is a long way from the old, "To be one, ask one" approach of years past.

We are getting some names passed along to us from Grand Lodge and the new campaign seems to be working, but we also need to be visible , and likewise approachable. People need to know who we are as men and Masons!

It is even more important that our Lodges be Visible by interaction with our community so that they may see who we are and what we stand for. That is why I am working with the Master and our line officers to get more active in the community by attending local fairs and festivals, charity walks and community events. We need to be visible and show that we "talk the talk and walk the walk".

BE ACTIVE IN YOUR LODGE! We need to bring the eligible of the next generation into the Brotherhood to remain viable for centuries to come.

In closing I want to challenge every Brother to be more visible and more available. The world needs Freemasonry more now than ever!

Fraternally,

Rich Duffy
Senior Warden

Hallboard President

Greetings from your Hallboard,

We hope that your summer is going well. Things around the lodge look pretty good. It has been a while since the air conditioning systems have been serviced and right now, they have been working overtime keeping our building comfortable. So that is our next project, getting the air conditioning systems serviced.

The parking lot lighting project is still alive and well. It has been a task just getting contractors to submit bids. The material pricing increases from one job to another and it is a guessing game where the prices will end up, we shall persevere.

Remember to fill your water bottle or water container at our water fountain. We have installed a water bottle filler for your use. Save on those plastic bottles.

Mark your calendars for August 27th. Our lodge breakfast we serve from 8:00 am to 10:00 am the best \$5.00 breakfast west of Reno. See you there.

Our donations to the food bank are greatly appreciated. Empty egg cartons, plastic and paper shopping bags, dry cereal, dry soups, peanut butter also fresh fruit. If you have a fruit tree that producing more than you can eat or give away, donated your excess fruit to the food bank. Thank You for your continued support.

Your hall board hopes you have a safe and healthy summer.

Fraternally,

Tom Tompkins, PM
HSJ Hallboard President
