Harding San Juan Lodge Trestleboard

June

Robert Henning

Master

Brethren and Ladies,

Our consolidation with American River is now complete and we are now one exceptional lodge, where we have welcomed some very responsible brothers. The picnic in honor of the two lodges coming together was a success, the weather was perfect, the food was plentiful, and brotherly love prevailed.

We have installed several men into our lodge in the last few months and we will be having several degrees in the future. Sideliners again will be appreciated to show your support for your blue lodge.

Several functions have been planned for in the future. With your participation in these functions we get stronger in our commitment to our lodge. Thanks brethren for being there and thanks to our ladies for their support. also.

We will be again trying to get our food catered, Brother Senior Warden Rich Duffy will be looking into that for the lodge dinner. Don't forget, our lodge breakfast every 4th Saturday of the month, our Rusty trowels, movie nights and any other function you can attend.

Fraternally,

Robert Henning, WM

Richard Duffy

Senior Warden

Brethren and Ladies,

I can't believe it is already June and we are halfway through this year. We will begin practicing for advanced stations! As mentioned in the program before the May stated meeting, I have formed a committee to begin planning for Harding San Juan Lodge, 100 year anniversary in 2023. We want to make it a year of fun and celebration, so if you are interested in volunteering, please send me an email. We have 2 important dates on the Grand Lodge calendar already, December 18th, 2022, which will be the 100th Installation of Officers, and July 8th, 2023, will be our official celebration with possibly a rededication ceremony, picnic and more. There are other great ideas, like a special coin, mugs, glasses, t-shirts, time capsule, maybe a Jazz Age or Roaring Twenties themed party and/or anything you might like to see the lodge officers and Executive Committee consider as part of our 100 year celebration.

Another committee that was recently formed is a Community Service Committee. This committee will be chaired by Senior Deacon, Greg Treible, P.M. to help coordinate a number of upcoming community service events and bring recognition and awareness to Harding San Juan Lodge and Freemasonry, while supporting our local communities. We are planning to have a booth at the Fair Oaks Chicken Festival in September and will be participating in a Halloween event in Rancho Cordova in October. We are also looking for opportunities to volunteer in Citrus Heights. If you are interested in this committee, email Greg or me and we will be sure to get you involved.

Wait there's more! We still have the rest of 2022 to enjoy! Our stated meeting dinner for June will be a Low-Country Boil, to help kick off the summer! Come out and join your family at Harding San Juan Lodge #579 for dinner and a meeting. And on July 16, 2022, we will have our annual picnic at the lodge.

And speaking of stated meetings, what a great stated meeting we had in May! Thank you to all the brethren that attended and helped fill the sidelines. The officers of Harding San Juan Lodge are hard at work practicing and conducting degrees and we greatly appreciate all the support from the members that attend.

Lastly, Happy Father's Day to all the dads of Harding San Juan Lodge!

Fraternally,

Rich Duffy, Senior Warden

Tom Tompkins, PM

Hallboard President

Greetings from your Hallboard,

Thank you to all who brought in items for the food bank. They are now serving 100 families per day 5 days per week. If you drive by the church on a weekday, starting at 10:00 AM, you will see the cars double file waiting for their food. This is a great service to our community, please continue with your generous donations.

A special thanks to Brother Bruce Gavin who has been updating and repairing our speaker system in the lodge room. Also, Brother Gavin is working diligently to provide speakers in the dining area as well. As with a lot of equipment in our lodge, it is getting old and out of date.

Worshipful Jeff Robertson oversaw the installation of our bottle filler over our water fountain. We now have cold filtered water available for members and guests to refill their personal water bottles. Thank you, Worshipful Jeff.

Your Hallboard is currently getting bids to upgrade our parking lot lighting. This bid process should be concluded soon, and the work should commence before too long.

As the consolidation process is completed, our new members from American River Lodge are now actively participating in our lodge functions and we welcome our brothers from American River Lodge. Thank You for your participation.

As with your personal residence, our lodge has many of the same systems as your home does. The sprinkler systems of our lodge need constant maintenance and oversight. Our building manager, Brother Bob Jackson, is staying on top of all our maintenance needs in addition to all his other duties. Thank You Brother Bob.

That is all for now, please keep supporting the food bank.

I look forward to seeing you in lodge.

Until next time,

Faternally,

Tom Tompkins, PM
