Harding San Juan Lodge Trestleboard

# September

Robert Henning

Master

Brethren and Ladies,

Our annual picnic and or Luau were both a success due to the brethren and ladies who pitched in to make our functions fun and support unity. It is a great feeling to know that you can depend on brethren and ladies to support our lodge in every way possible.

We are now open, as a lodge in September, and we are looking into getting a caterer to support our dinners. The dinner will be on September 14<sup>th</sup> at 6:30 followed by the stated meeting at 8:00. We look forward to your attendance, sideliners are always welcome.

September's breakfast will be on the 24<sup>th</sup> for only \$5.

We will be having several degrees coming up with at least one entered apprentice degree, several second degrees and at least one 3<sup>rd</sup> degree when our brothers finish their proficiencies. I received several more people wanting to join our lodge after coming to functions and meeting our brethren. We have a strong lodge and want to make sure that we have the right people to support it and the new prospects coming will make our lodge only stronger in the future.

Thank you, my brethren, and ladies for making my job as your Master memorable.

Fraternally,

*Robert Henning, WM*

## Richard Duffy

Senior Warden

Brethren and Ladies,

It is now September, and we are rounding the corner of 2022 to the last few months of the year. Time flies when we are having fun. And what a great summer we have had!

September will be a busy month after coming out of our dark months of July and August. First, stated meeting dinner. I am negotiating with Stock Ranch to again cater our monthly stated meeting dinners. They have a new director of community affairs, Dale Masters. I am in discussions with him to cater our stated meetings. If we can't get them for September, my plan "B" will be roasted chicken, potatoes, veggies, salad, bread and desert. We will try to keep the same price of \$15 per person, but that may have to be raised due to costs of everything going up.

New for Harding San Juan Lodge! I have arranged for a vendor booth at the Fair Oaks Chicken Festival. We will be doing the Child ID program with assistance from Mario Balbiani of the Scottish Rite, who will be supplying the computers and materials. We will need a few members from the lodge to help man the booth, greet the public and talk about Masonry to anyone interested. We will also have some literature to hand out to any men who would like to know more about Freemasonry or Harding San Juan Lodge. Contact Rich Duffy if you are interested. The date is September 17, 2022 from noon – 6:00 PM at the Fair Oaks Park.

Lastly, we have a number of degrees coming up and would love to have as many members from the lodge in attendance, especially the 1<sup>st</sup> degrees. Nothing is more impressive to a new brother than to see the sidelines of the lodge filled on their big night. Please look for dates to be announced.

Fraternally,

*Rich Duffy*  
Senior Warden

## Tom Tompkins, PM

Hallboard President

Greetings from your Hallboard,

Summer is almost gone, and school is back in session, parents are happy. All is right with the Harding San Juan world.

The lodge refrigerator went out and needed Freon , that has been taken care of and two of our air conditioners also needed recharging with freon as well. . Other than that, everything around the lodge seems to be operating properly.

Just a thought, when you are planning an event, get to the lodge early and get the air conditioning going. Our units are getting old, and it takes them awhile to cool the building especially when it is 102 degrees outside, just a thought.

It is hard to believe that it has been 18 years since San Juan Lodge # 732 consolidated with Warren G. Harding Lodge # 579. Where did the time go? I had only been a Master Mason a year and a half when the consolidation took place. I must be getting old.

Great job on our donations to the food locker. Rocky Peterson, the food locker coordinator, smiles every time I drive up with more donations. They are feeding 110 families per day, five days per week. Thank you for your continued support.

Most of the bids on the lighting have come in, the Hallboard decided they wanted to see what the cost of solar lighting would be, so we are waiting on a couple of more bids on solar. The one we received was 3 times the cost of new brighter LED lights. I do not see us going solar at this time.

If you see something that needs fixing around our lodge building, please let one of the hall board members know. Many eyes make a huge difference.

Until next time,

Fraternally,

*Tom Tompkins*, PM

HSJ Hallboard President

SUNSHINE

My Brothers and sisters we have some of our members are down , Your thoughts and prayer are very much needed for them and their family during these tough times.

Our Brethren's families, friends and neighbors in need of food can go to Sunrise Christian Food Ministry; 5901 San Juan Ave; Citrus Heights, CA 95610; (916 -965-5431) **Hours: Monday through Friday (10:30am - 3:00pm) (Note: No questions asked) Web Site: [sunrisechristianfoodministry.org](http://sunrisechristianfoodministry.org).** Covid-19 Statement: Sunrise Christian Food Ministry takes the health of its patrons and volunteers very seriously. For that reason we have implemented a drive -thru style of food distribution. All volunteers are required to wear masks and gloves while loading your car with food. Another result of the Covid19 is our method of food handling and distribution. No longer are clients allowed to stand in lines outside the building and then come in to register. We have changed to a process of prepacking all the food supplies and set up a "no contact" distribution. We are using the lower parking lot for a check in/registration station. People stay in their vehicles during the complete process. After checking in they proceed up the hill to the food closet. All the boxes and bags of produce and bread are now located outside. We load the food into the vehicles, and they turn around and drive out.

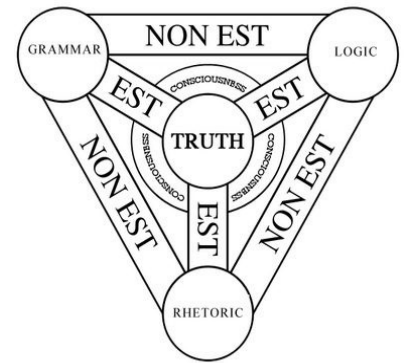

Greetings, Worshipful Sir's, Brethren, family, and distinguished friends,

As we know, this month, Masons of California are celebrating Public Schools all across our beautiful state, and many of us and our Lodges are planning some very impactful charities and events in our communities to highlight and acknowledge the accomplishments of some very deserving people in our communities.

Why is education important to us as Masons?

In my humble opinion, it is simply an investment in our future.

We understand that one of the main ingredients of 'making a good man better' is education – and the ancients provided us with the template for how to do so through the study of the Liberal Arts and Sciences – for without grammar, one cannot comprise a sentence to communicate – without Rhetoric, one cannot articulate a point – and without Logic, one cannot reason and formulate a scientific stance. Adding the study of Geometry, Arithmetic, Music, and Astronomy, we not only learn the practical skills to build societies, but we open our minds to seeing the Divinity in each branch of the Arts. Imagine what society would look like today if our institutions were based on science and philosophy.

My personal goal as a representative of the CMF is to establish positive awareness of our fraternity and earn influence throughout the educational system, while granting financial opportunities to those who may not have the resources to continue their pursuits of knowledge.

Part of our mission was to interview and grant scholarships to first-generation college candidates who we found most worthy of our investment. I am happy to report that we have identified two amazing young adults in our community who we have decided to assist with their endeavors for further light in education, and I am proud to extend an invitation to our first public awards ceremony in many years.

The event will be held on September 21<sup>st</sup>, 2022 beginning with a mixer at 4:30PM and ending at approximately 6:40PM at the Downtown Sacramento Masonic Temple located at 1123 J St. Sacramento, 95814, and it would be beautiful to pack the venue with Masons showing support to our next generation of community leaders.

An RSVP link will be sent prior to the event.

If you have any questions or would like to find out what you can do to help, please contact me anytime.
